## Cap Tightener - Pneumatic for Screw Caps

Save labour and ensure consistent tightening of caps with this hand held pneumatic screw cap tightener for plastic screw caps and metal twist off caps and comes complete with a spring return balance unit for overhead mounting, and a capping chuck for perfect tightening every time. It is also reversible for removing caps. Please note, a compressor with a minimum capacity of 6 cfm is required to run this tightener.

## Capping chucks for different caps

All prices are in GB Pounds Sterling and are supplied ex-VAT and ex-Works unless otherwise stated. The goods hereby supplied shall remain the property of the seller until such time as payment for the product has been made in full. Any discrepancies to be made in writing within 7 days of receipt.
